

# Christian Nold, Space and Drake Circus

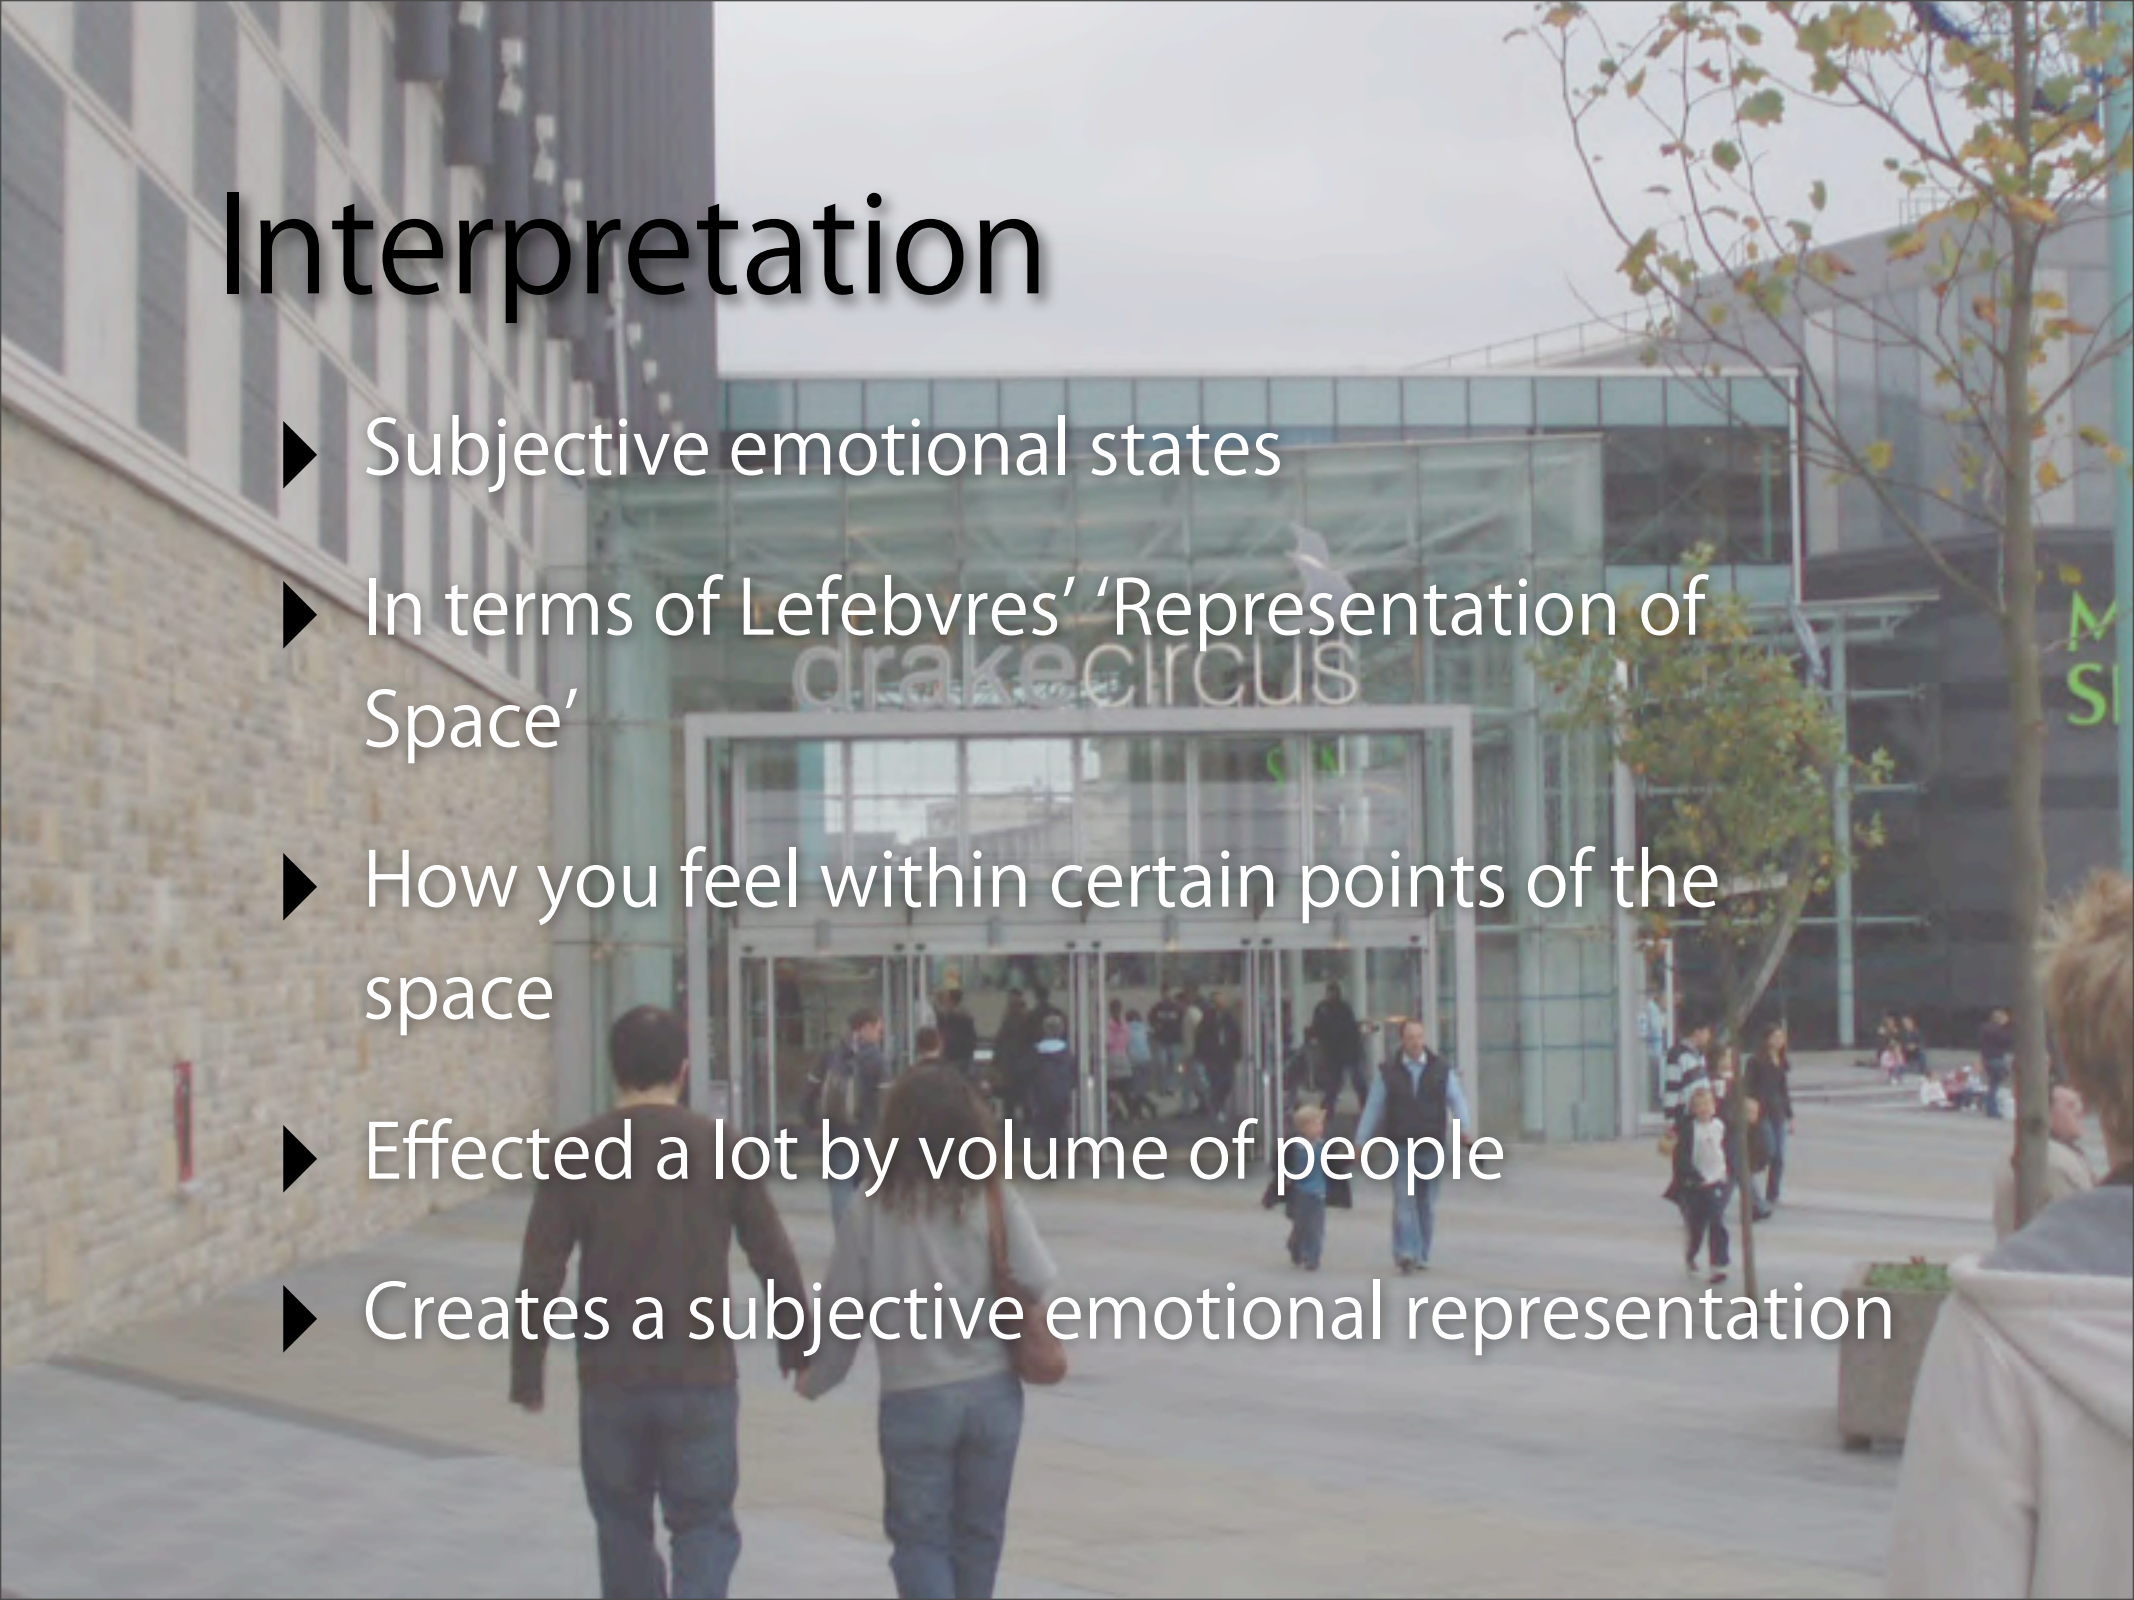

# Starting Point

- ▶ Christian Nolds' Bio-mapping project
- ▶ Recording sub-conscious emotions through galvanic skin response
- ▶ Mapped using Google Earth and comments added

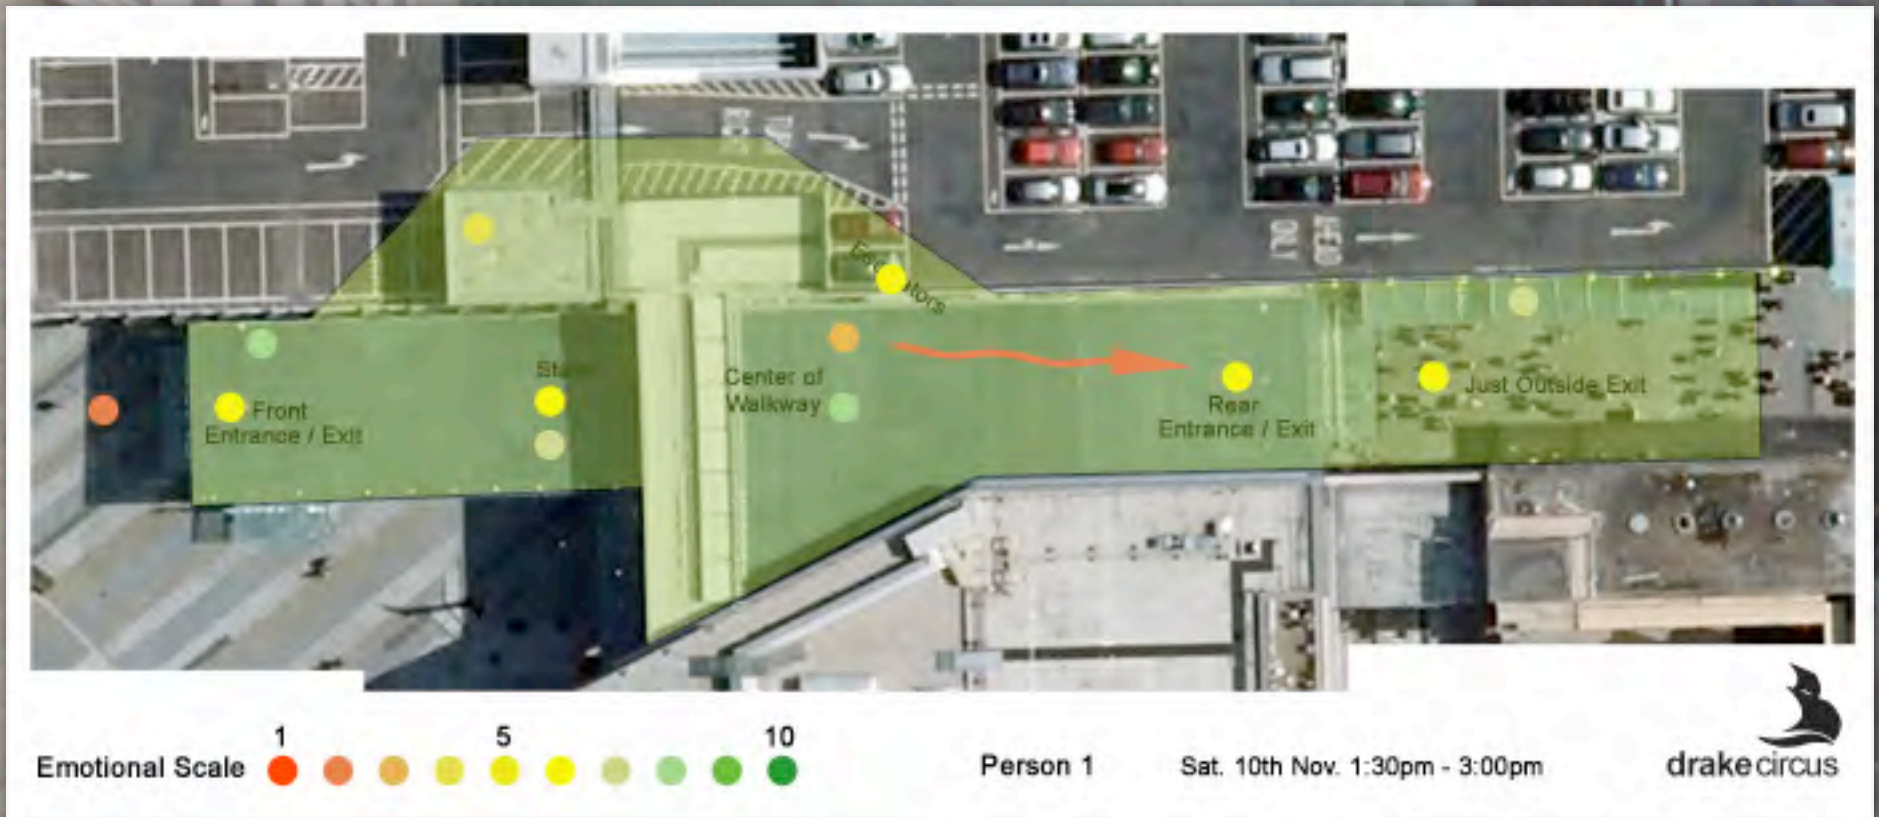

# Interpretation

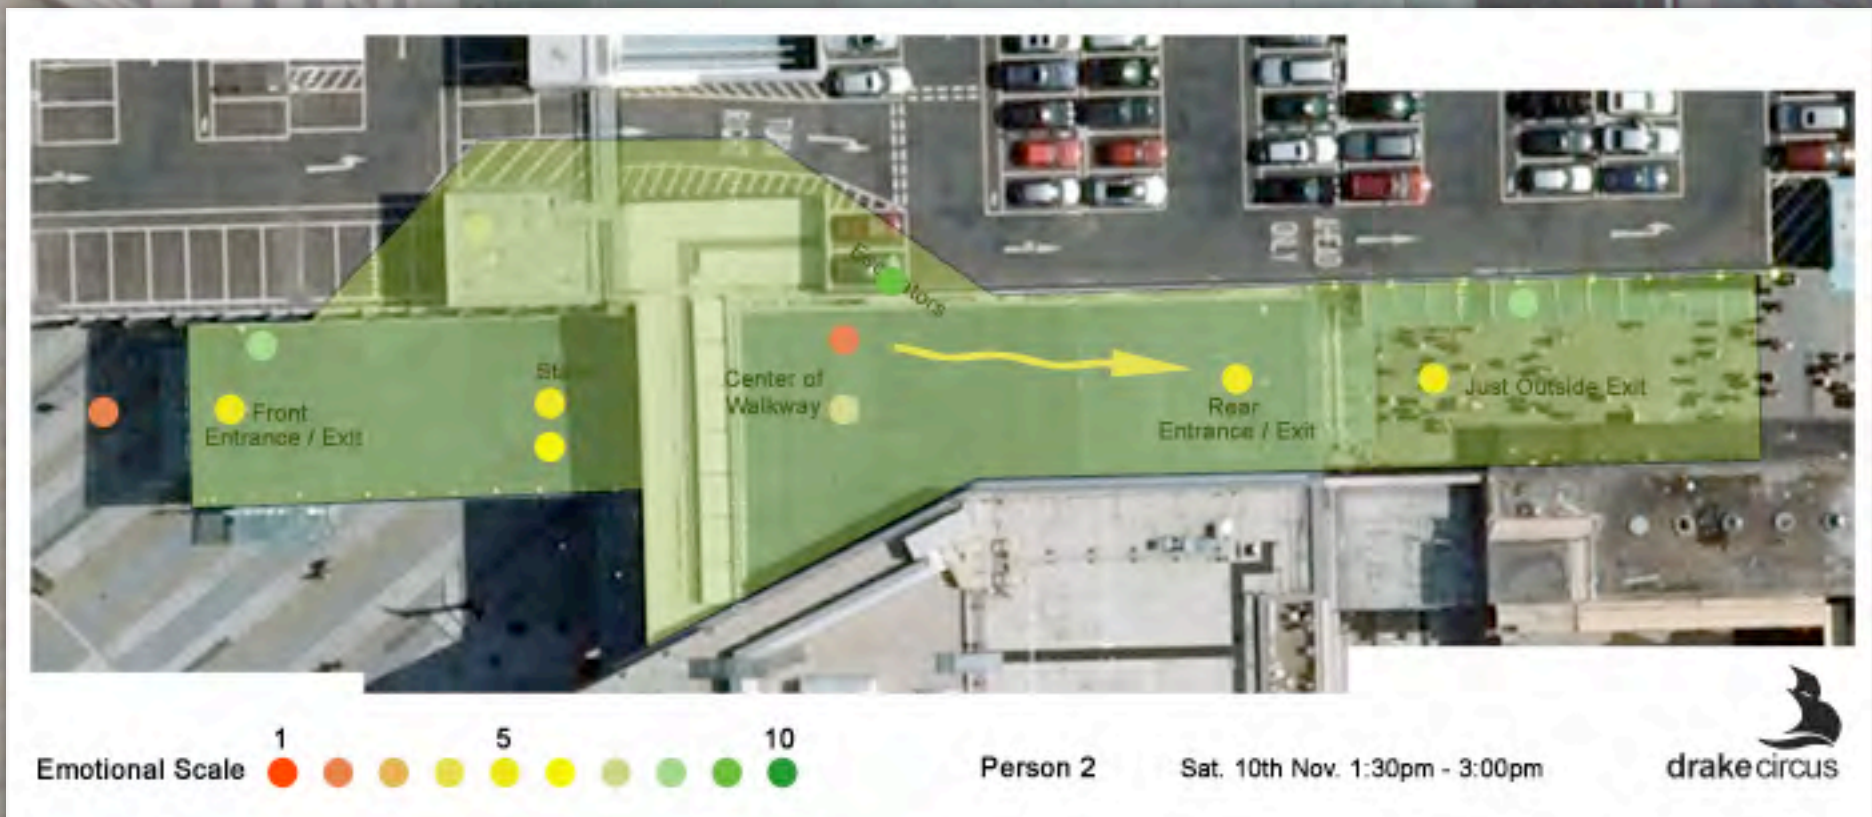

- ▶ Subjective emotional states
- ▶ In terms of Lefebvres' 'Representation of Space'
- ▶ How you feel within certain points of the space
- ▶ Effected a lot by volume of people
- ▶ Creates a subjective emotional representation

# Interpretation

# Interpretation

# What's next?

- ▶ Time / emotion map of Drake Circus
- ▶ Public map showing possible emotional states at specified times
- ▶ Crowd emotion control
- ▶ Changing the space around them to influence emotion
